

SPROG-VXCF1

Handy Copier

SPROG-VXCF1 is a standalone copier which is convenient, efficient and easy to use. Can program **EPROM**, **EEPROM** (including **SST & Winbond**), **FLASH MEMORY**, **MICROCONTROLLERS (89C5xx Series, 89C1051/2051)** & **PLDs**.

FEATURES

- Copying facility from master to slave.
- User friendly menu driven software to avail facility to interface with PC.
- 16 x 2 LCD Display
- 4 keys to perform Program, Verify, Blank Check, Auto, Erase, Checksum & Select.
- Compact size.
- Supply voltage: +9V, 600mA from battery emulator

DEVICE SUPPORT:

EPROM: including WINBOND, SST etc. (WITHOUT WINDOW)
